

**FOR IMMEDIATE RELEASE**

# OxyChem joins Resilient Floor Covering Institute as an Associate Supply Chain Member

LA GRANGE, GA (October 24, 2025) — RFCI welcomes OxyChem as a Tier 1 Associate Supply Chain Member. OxyChem, headquartered in Dallas, TX, produces a full product line of PVC resins suitable for resilient flooring applications in their ISO 9001 certified facilities.

“We produce essential chemicals that serve as the backbone of countless everyday products — including those critical to the resilient flooring industry,” said Jeremy Burnell, OxyChem Vice President. “Joining RFCI is a meaningful step that reflects our commitment to supporting innovation, sustainability, and performance in flooring solutions. We’re proud to contribute to an industry that enhances spaces where people live, work, and thrive.”

“We welcome OxyChem to RFCI,” stated Bill Blackstock, President and CEO, RFCI. “We are thankful for the opportunity to serve the OxyChem team and all of our members in the coming year. We also look forward to hosting OxyChem at their first RFCI All-Member meeting in late October in Arizona!”

## About RFCI

The Resilient Floor Covering Institute (RFCI), based in LaGrange, GA, is the resilient flooring industry’s association that provides support for a network of global resilient flooring manufacturers and companies in the supply chain. The mission of RFCI is to enhance the long-term growth and well-being of the North American resilient floor covering industry. RFCI’s goals include embracing key strategic industry issues, engaging federal and state government agencies in policy discussions, developing meaningful certification programs that are valued by all parties, contributing to technical considerations, and promoting the resilient flooring category.
